

SOMETHING OLD, SOMETHING NEW

PACE 427

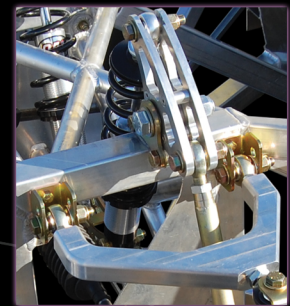

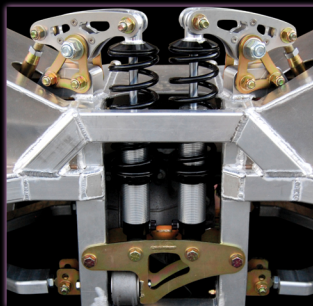

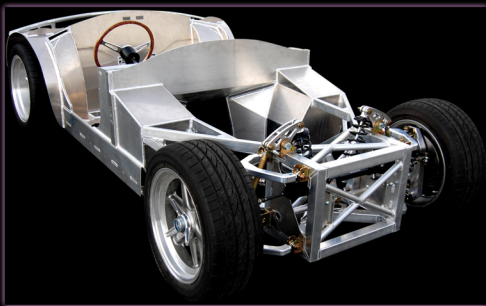

**Starter Kit
from \$24,995**

**GT40 Now Also
Available!!!**

**Aluminium Hand Crafted Body
Now Available for Order**

**The PACE 427 is a revolutionary
new supercar you can build yourself**

The PACE 427 uses the latest design, engineering & production techniques to deliver the best possible performance and handling.

The PACE 427 is constructed using premium components such as Carbon/Kevlar Body Panels, Alloy Chassis & Alloy Rocker Suspension.

The PACE 427 features a truly authentic body shape in full gloss finish, functional pin drive wheels & premium Brembo brakes as standard.

The PACE 427 can accommodate drivers over 6'5"

**Absolute
PACE**
Hand Crafted Supercars

www.absolutepace.com Ph 07 3103 0957

PACE 427 - Features

- TIG Welded Aluminium Semi-Monocoque Chassis featuring drivetrain mount points and mounting points for other major components. No substandard fibreglass cabin panelling, our chassis features the enhanced safety, strength and easier build of full welded aluminium panelled cockpit in the form of a Monocoque Structure. Chassis offers extensive cockpit space with room for 6'5"+ drivers.
- Premium Rocker/Pushrod Suspension Design Front and Rear. Incorporating CNC Billet Aluminium A-Arms & Uprights with a choice of Urethane Suspension Bushes or Teflon Rod Ends. Chassis features adjustable suspension mount locations to allow owners to significantly lower the vehicle without adversely affected suspension geometry. Perfect for both track days and full time track work.
- Standard brakes front and rear are large slotted/dimpled and vented rotors with Brembo 4 piston calipers. 300mm rotor size with 15" wheels, 348mm rotor size with 17" and larger wheels. Tilton floor mounted bias adjustable pedal box with remote reservoirs. Custom PACE spot calipers are used for handbrake.
- Body consists of full gloss perfectly straight panels in Carbon Composite Construction. Full range of Gelcoat colours and custom colour mixes are available. Doors are reinforced Kevlar/Carbon construction.
- Authentic 427 SC replica body shape that provides the engine bay, interior and guard space of an original Cobra. Significantly more space than found in many replicas. Original styled body also ensure precision fitment of all reproduction accessories and parts. Compare our body shape to our competitors.
- Accommodates a large range of engine & gearbox choices. Engine: Ford Windsor, Ford Modular Aluminium 5.0lt (Coyote), Gen 3 & Gen 4 Holden/Chev engines from 5.7lt - 7.0lt, normally aspirated and supercharged. Custom engine & gearbox fitment available. Custom engine fitments also available.
- Independent Rear Differential is a unit used by major OEM's and manufactured by ZF. Featuring Aluminium Housing, 8.3" Crown Wheel and optional Shot-Peened Gearsets with LSD. Driveshafts are Custom 4340 Chromoly Race Axles with 108mm CV Joints & Chromoly Stub Axles.
- Chassis features a unique exhaust system recess to allow the vehicle to sit lower while still providing adequate ground clearance regardless if under body or side pipe exhaust system is used. Chassis also features a large underfloor storage section in the boot. Cockpit storage under seats and in rear bulkhead.
- Industry leading quality parts: Aluminium bonnet, boot & door hinges. Urethane Aluminium engine mounts. Roller fuel cap with separate lockable internal cap, custom classic styled gauges with built-in discreet LEDs for warning lights. Gas strut assistance for bonnet and boot hinge operation.
- Superior safety with high strength heavy wall aluminium cockpit safety cell & advantage of increased torsional stiffness of semi-monocoque design. Enhanced shear & penetration protection offered by the Carbon/Kevlar reinforced door panels. Enhanced rear impact performance of forward mounted fuel tank.
- Build time is significantly reduced as every facet of the design has been optimized for quick and easy assembly. Full colour 500+ page build manual with DVD. Build can be as little as 5 months part time.
- Extensive testing and compliance work has been performed for street registration in Australia: Chassis Torsion and Beam, Body Panels, Suspension, Handling, Braking, Seat Belt Mounts, Bump Steer etc plus certified parts and accessories. Please contact us for recommended engineers in your state.

PACE 427

PACE 427

PACE 427

Comfort:

- Largest Cockpit Size**
- Deep Wide Seating Position**
- 6'5"+ Drivers Accommodated**
- Full Sprung Seats**
- Adj. Height Steering Column**
- Enhanced Shock Travel**
- Underfloor Boot Storage**
- Rear Wall Lockable Storage**
- Adj. Seat Position/Height**
- Adj. Pedal Height & Spacing**
- Cockpit Fresh Air Vents**
- Poly Bush Suspension Option**
- Quick Adjustable Dampening**

Performance:

- Rocker Suspension**
- Trackday Quick Height Adj.**
- Tilton Race Pedals**
- 46 KG Carbon Street Body**
- 100KG Aluminium Chassis**
- 350mm Slotted Rotors**
- 4 Piston Brembo Brakes**
- 6 Piston Upgrade Brakes**
- Adjustable Brake Bias**
- Teflon Rod Ends Standard**
- CAD Designed & Optimised**
- Low Drag Flat Floor**
- Extremely Light Weight**

Safety:

- Aluminium Safety Cell**
- Kevlar Reinforced Doors**
- Enhanced Body Strength**
- Wide Anti-Intrusion Bars**
- Collapsible Steering Column**
- Relocated Fuel Tank**
- Oversized Brakes**
- 3-Point Structural Roll Bar**
- Optimised Brake Bias**
- LED Rear Lights**
- LED High Level Brake Light**
- Caliper Style Handbrake**
- Flame Proof Footboxes**

PACE 427

Suitable for Full Street Registration & Track Use

\$24,995 Starter Package
Plus \$11,995 Roller Add-On Kit
Plus \$28,995 Finishing Add-On Kit

\$24,995 Starter Package

Chassis Unit, some Suspension & Brake Components & Fitted Main Body

Chassis

- Aluminium Semi-Monocoque TIG Welded Chassis
- Removable Aluminium Front Panelling for Nose Section and Radiator Support
- Integrated Mounting Points for Suspension, Engine, Gearbox, Differential, Steering etc.
- Seatbelt Retractor Mounting Brackets with Bolts
- Billet Alloy Door Hinges with Pivot Assemblies
- Billet Alloy Bonnet Hinges with Gas Strut Mounts
- Billet Alloy Boot Hinges with Gas Strut Mounts

Brakes

- 4 Piston Brembo Calipers Front
- 4 Piston Brembo Calipers Rear
- 300mm Vented/Slotted Rotors Front
- 300mm Vented/Slotted Rotors Rear
(Larger Calipers & 350mm Rotors Optional)

Body

- Full Gloss Gelcoat Finish
- Carbon Fibre Composite Main Body
- Carbon Fibre Composite Bonnet
- Carbon Fibre Composite Boot
- Carbon Fibre & Kevlar Door Assemblies
- Door Anti-Intrusion Bars
- Main Body Fully Fitted & Aligned onto Chassis
- Main Body Removable During Build
(Optional Full Aluminium Hand Crafted Body)

Suspension

- CNC Billet Aluminium Uprights
- CNC Billet Aluminium Upper/Lower Control Arms

Manual

- 600+ Page Full Colour Build Manual

\$11,995 Roller Add-On Kit (price includes 20% loyalty discount)

Full Rolling/Steering Chassis. Supplied Unassembled. Fully Fitted/Aligned Body Panels.
(Components can be ordered separately if desired)

Chassis

- Zinc Plated Diff & Rear Shock Mounting Bracket
- Zinc Plated Front Shock Mounting Bracket
- Bolt-on Engine Mount Brackets
- Bolt-on Gearbox Mount Bracket

Body

- Bonnet, Boot & Doors Fitted, Aligned and Hinging
- Door Locks & Latches Supplied & Fitted
- Stainless Door Handle Pivot Shaft
- Rubber Bonnet Stops - Front and Rear

Differential

- Aluminium Housed ZF Differential (Open)

Drive Shafts

- Pair Race Spec Chromoly Axles
- Set of Premium Lobro German CV Joints
- Set CV Boots, Flanges & Stainless Ties
- CV Grease
- Chromoly Inner and Outer Stub Axles

Hardware & Tool Kit

- All Mounting Hardware
- 3 x Compartment Boxes with Colour Labels
- Small & Large Shock Spanners
- 36mm Ratchet Socket for Axle Nuts
- CNC Bullet Shaped Shoulder Bolt Fitment Tool

Brakes

- Brake Pads Front and Rear
- Pad Pins & Spring Clips
- Rotor Hub Rings

Suspension

- Zinc Plated Steering Arm Brackets
- Zinc Plated Toe Link Brackets
- Zinc Plated Upright Double Shear Brackets
- Zinc Plated Upper Control Arm Camber Brackets
- Adjustable Dampening Billet Coilover Shocks
- Adjustable Ride Height
- Coilover Springs
- Zinc Plated Chromoly Pushrods
- Zinc Plated Chromoly Toe Links
- Race Quality Wheel Bearings
- Zinc Plated Chassis Suspension Mount Brackets
- CNC Billet Aluminium Bellcranks
- Zinc Plated Bellcrank Mounting Brackets
- CNC Machined Rod End Shear Spacers
- HD Teflon Rod Ends (Urethane Bushes optional)

Steering

- Steering Rack with Adjustable Height Mounting
- Collapsible Steering Column with Height Adjust.
- Teflon Lined Steering Tie-Rack Ends
- Stainless Ties for Steering Rack Boots

Prices / Specifications subject to change without notice. All prices include GST.

PACE 427

Suitable for Full Street Registration & Track Use

\$28,995 Finishing Add-On Kit (price includes 20% loyalty discount)

All Finishing Components to Complete the Build, Supplied Unassembled
(Components can be ordered separately if desired)

Brakes

- CNC Bent and Machine Terminated Stainless Brake Hard Lines
- Certified Flexible Braided Hoses
- All Required Brake Fittings for Complete System
- Tilton Aluminium Triple Pedal Assembly with Brake Bias Adjustment
- Adjustable Pedal Pad Height and Spacing
- Brake Master Cylinders (2 x Brake, 1 x Clutch)
- Brake Remote Reservoirs & Bracket
- Brake Fail Pressure Switches
- Complete Handbrake Assembly with Custom Spot Calipers, Cables, Mounting Brackets etc.
- Pair ABS Plastic Brake Cooling Ducts
- Heatshield for Master Cylinders
- Stainless Hard Line Clamps
- Stainless Brackets for Flexible Braided Hoses
- Stainless Spring Clips for Flexible Braided Hoses
- Brake Reservoir Labels

Drivetrain

- Urethane Aluminium Engine Mounts
- Urethane Gearbox Mount
- Exhaust Headers
- Tailshaft Assembly
- Aluminium Diff Pinion Adaptor
- Exhaust Insulation Kit
- Engine Bay & Tunnel Insulation (Marked Ready to Cut & Fit)
- Mirror Stainless Heatshield Panels for Engine Bay
- Aluminium Front Inner Guard Panels
- Aluminium Front Seal Panels

Fuel System

- Fuel Tank with In-Tank Anti-Surge System
- Rubber Insulated Tank Mounts
- Polished Roller Latch Fuel Cap & Filler Tube
- EFI Fuel Pump, *Regulator, *Gauge & Filter
- CNC Bent & Machine Terminated Fuel Hard Lines
- Stainless Braided Teflon Fuel Flexible Lines
- Emissions Charcoal Canister Kit
- Fuel Breather Lines
- Fuel Filler Hose

Wheels

- Pin Drive Aluminium 15" Halibrand Style Wheels
- Pin Drive Adaptors
- Lugnut Locating Pins
- Polished Aluminium Centre Caps
- Polished Forged Spinners
- Pin Drive/Knock-Off Hammer

* Only supplied for GM Engine Installations

Cooling System

- Aluminium radiator & Rubber Insulated Mounting
- 16" Electric Fan
- Stainless Coolant Tubes & Clamps
- Aluminium Radiator Shroud
- Polished Alloy Coolant Header & Overflow Tank
- Aluminium Seal Panels for Radiator

Lighting

- 7" Headamp Assemblies with Chrome Surrounds
- Lucas Clear L691 Front Indicators
- PACE L542 Clear LED Tailights (All-In-One - Brake, Tail, Turn Signal and Reverse)
- CNC Billet Aluminium Clear LED High Brake
- Lucas L467 Chrome Number Plate Light
- Clear Side Indicators
- Custom Small Round Reflectors
- All Bulbs etc included

Electrical

- Complete Classic 7 Gauge Set with Integrated Warning Lights, Reverse Rotation Speedo, Fuel Pressure Gauge and Integrated Discreet LEDs for High Beam, Turn Signals, Ignition/Voltage, Seatbelt, Brake Fail/Handbrake & Security
- Senders for all Gauges
- Complete Switch Set to Control Headlights, Wiper, Hazard Lights, Demister & Squirters
- Dash Mounted Ignition Switch
- Push Button Red Start Button on Dash
- Push Button Chrome Horn Button
- Column Mounted Turn Signal Switch with Headlamp Dip Function
- Twin Tone Horn Set
- Electric Demister with Ducts
- 3 Point Immobiliser with Proximity Keyfob
- Electronic Steering Lock
- Gel Cell Battery
- Zinc Plated Battery Mounting Bracket
- Complete Wiper System with Arms & Blades, 2 Speeds and Auto Park
- Twin Chrome Squirters with Washer Bottle
- Wiring Loom Kit
- Battery Cut-Off Switch
- Handbrake Lever Switch
- Cigarette Lighter Power Socket
- Seat Belt Timer for LED Warning Light

Steering

- 15" Classic Style Wood Laminate Wheel
- Steering Wheel Boss
- Aluminium Steering Wheel Centre Cap

Prices / Specifications subject to change without notice. All prices include GST.

PACE 427

Suitable for Full Street Registration & Track Use

\$28,995 Finishing Add-On Kit (continued)

Interior & Boot

- Classic Style Alloy Seat Frames with Sprung Base
- Drivers Seat Slider
- Retractable Lap Sash Seat Belts
- Centre Mirror with Day/Night Function
- Shifter Boot & Chrome Trim Ring
- Polished Aluminium Gear Knob
- Handbrake Lever
- Polished Aluminium Handbrake Handle Grip
- Dash Panel
- Adjustable Fresh Air Vent System (Drv and Pass)
- Interior Insulation Kit
- Chrome Classic Door Handles
- Stainless Demister Vent Louvers
- Retractable Seatbelts
- Seatbelt Bezel Set
- Warning Labels - Dash/Firewall & Seatbelts
- ABS Plastic Interior Trim Panels - Door Hinge Covers, Door Latch Covers, Infill Panels
- Rubber Boots to Seal Rear Pushrods
- ABS Plastic Infill Panels to Seal Suspension/Boot
- Rubber Seals for Doors, Bonnet and Boot
- Lid Sections for Underfloor Storage in Boot
- Aluminium Rear Inner Guard and Seal Panels
- Polished Stainless Floor Drain Hole Covers

Hardware & Tool Kit

- All Mounting Hardware
- 10 Compartment Boxes with Colour Labels
- Specialist Tools - Shock Spanners, Axle Socket, Bullet Tool, Switch Spanner, Lead Wheel Hammer

Support

- Full colour build manual 500+ pages with DVD
- Phone and Email support
- In person visits to talk to our staff

Required Components to Finish Vehicle:

- Engine and Associated Wiring & Accessories
- Gearbox with Bellhousing, Clutch etc.
- Remaining Underbody or Side Pipe Exhaust Parts
- Trimming for Supplied Interior Components
- Tyres
- Some miscellaneous items - fluids, adhesives etc

Kits Include all mounting hardware, brackets & fasteners for all components listed.

Not every component supplied in each kit is listed in this brochure, this is an overview only. Ask us for packing lists for full listing of supplied components.

Exterior Bright Work

- Set of Quick Jacks (Over-Riders & Bumpers Optional)
- Set of Body Grommets for Quick Jacks etc.
- Number Plate Mounting Bracket
- Gas Strut Bonnet Stays with Mounting Brackets
- Gas Strut Boot Stays with Mounting Brackets
- Glass Windscreen with Chrome Brass Frame
- Windscreen Escutcheon Plates Stainless
- Windwings with Stainless Mounting Hardware
- Sunvisors with Stainless Mounting Hardware
- Lockable Chrome Bonnet Handle Set
- Lockable Chrome Boot Handle
- Latches & Catches for Bonnet & Boot
- Door latches with enhanced 2-stage locking
- Side Vent Louvers with Mounting Brackets
- Drivers Raydot Chrome Mirror with Stainless Mounting Kit for Windscreen

Registration Certifications

- Chassis Torsional & Beaming
- Suspension & Associated Mounts
- Bump Steer
- Seats
- Seat Mounts
- Seat Belt Mounts
- Collapsible Steering Column
- Door Anti-Intrusion Bars
- Lights & Reflectors
- Double Lane Change Manoeuvre
- Brake Lines & Fuel Hoses
- Wheels
- Windscreen Wiper Swept Area
- Steering Wheel & Boss
- Seat Belts
- Etc

Payment Scheme

\$5,000 Deposit on Order of Starter Kit.
\$10,000 Payment for Start of Manufacture
\$5,000 Progress for Completion of Body & Chassis
\$4,995 Balance Payment - Kit is Ready for Delivery

50% Deposit to order Roller Add-On Kit
50% Deposit to order Finishing Add-On Kit
(Required before delivery of kit when Add-On kit components are being sorted for delivery)

Full payment for Options required before delivery to allow time for the parts to be organised/reserved.

Prices / Specifications subject to change without notice. All prices include GST.

PACE 427

Suitable for Full Street Registration & Track Use

	STANDARD MODEL	PRICE
<input checked="" type="checkbox"/>	PACE 427-S (Street) Standard Carbon Composite body structure with Kevlar/Carbon Composite Doors. Aluminium TIG Welded Chassis with CNC Billet Aluminium Suspension Arms.	\$0
	OPTIONAL MODEL	PRICE
<input type="checkbox"/>	PACE 427-SS (Super Street) Enhanced body with significantly higher carbon content & upgraded VE resin to produce lighter, stronger and more resilient panels. This is a VERY popular option.	\$1985
	OPTIONAL MODEL	PRICE
<input type="checkbox"/>	PACE 427-SL (Super Long) Infused Carbon/Kevlar Aerospace Bonded Insert Enlarged cabin structure to maximise seating position & also maximise arm room/length for steering and gear shifter. 50mm+ more space with our standard body. Provided with upgraded full curve seats. \$1390 as a fit yourself kit without seats.	\$1890
	OPTIONAL MODEL	PRICE
<input type="checkbox"/>	PACE 427-SR (Street Race) or R (Race) Track Package (customised to your requirements): Enhanced cabin structure for Race Seat Fitment, Surge Tank etc. Fuel Tank, Adj Sway Bars, Shock Upgrade, Tow Straps etc. Can be added to a street car (SR) or fitted to a dedicated track car (R).	\$POA
	OPTIONAL MODEL	PRICE
<input type="checkbox"/>	PACE 427-SU (Street Custom) Custom Chassis & Body Features. Features such as Custom Bonnet Duct, Twin Fuel Filler Recesses, Delete Front Indicator Mounds, Custom Rear Guard Flare Size etc.	\$POA
	OPTIONAL MODEL	PRICE
<input type="checkbox"/>	PACE 427-AL (All Alloy) Aluminium Hand Crafted Body with Aluminium Mounting Superstructure.	\$27995

Model Identification Letters are stacked if you order more than one model
i.e. Super Street & Super Long: PACE 427-SSL Super Street & Race = PACE 427-SSR
